

MAJESTY

MAJESTY 62

The Majesty 62's sleek profile conceals the skillful design of her decks, which include saloon and dining space, 4 guest cabins, 3 heads and separate accommodation for the crew. The fly-bridge is designed to maximize outside space making this the perfect choice for leisure cruising. The elegance of her design continues into the sleeping quarters, with the owner's cabin being situated mid ship allowing large windows to bring the feel of light and space to the lower deck.
